

LivingAll

The LivingAll European Conference

15-16 January 2009

Funded by the VI Framework Programme of the EC

Coordinated by the University of Valencia, ERI Polibienestar

VENUE:

Botanic Garden of Valencia
Room: Juan Plaza Auditorium
Address: Quart, 80
46008 Valencia, Spain

The objective of the LivingAll European Conference is to disseminate the final results of the research of the LivingAll project, funded by DG Research Health in the VI Framework Programme of the European Commission, in reference to the best practices and main barriers to free movement and equal opportunities for people with disability and share knowledge and efforts to support them and improve their quality of life.
