

[Free Movements and Equal Living Opportunities for All \(LivingAll\),
European Conference. Valencia, 15th-16th January 2009 \(Spain\).](#)

The objective of the LivingAll European Conference is to disseminate the final results of the research of the LivingAll project in reference to the best practices and main barriers to *free movement and equal opportunities for the disabled people* and share knowledge and efforts to support them and improve their quality of living. The concept of **free movement and equal opportunities for all** involves the desire to ensure the right of the disabled people to have an independent life. Thus, the following content, among others, will be addressed:

- a) Access to public areas such as city streets and public buildings.
- b) Access to education and employment, with new and adaptive technologies.
- c) Access to independent living with assistance care.

For further information see: www.livingall.eu

In order to achieve these goals, **we invite you to participate in** the LivingAll European Conference:

Call for Abstract

The LivingAll project consortium encourages you to submit your abstracts focused on the following main topics of the:

- Good practices (government or non-government initiatives, including existing or in development technologies) to improve free movement and equal opportunities for all at national or European level. The following areas could be considered, independently or together: Housing, Build environment, Transportation,

Communication, Labour and employment, Education and training, Social security, General social support, Health services

- Results of European or national projects results concerning *free movement and equal opportunities for all*.
- Main barriers concerning *free movement and equal opportunities for all* in Europe.

The abstracts submitted will be reviewed and ranked into three categories:

- A) Accepted as oral presentation at the LivingAll European Conference.
- B) Accepted as poster presentation.
- C) Not accepted for this conference.

The decisions will be communicated by **30th October 2008**.
